**Some details:** Your team will be your family. You will drive around town to accomplish a list of tasks. Do as many as you wish and take photos along the way to keep track of your accomplishments. We will meet at Longmeadow High School to begin and end. (Please note: we've designed the event so it can be done in any town. You do not need to come to Longmeadow to participate.) This is a free event, but we would be happy to accept a donation! We miss gathering and look forward to this fun, COVID-friendly exciting event. Points are earned early by getting other families to join!
